

1

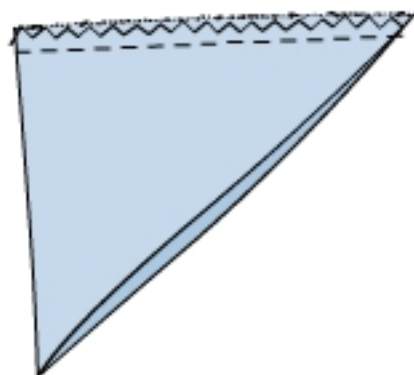

Cut Gauze-Nappy diagonally

2

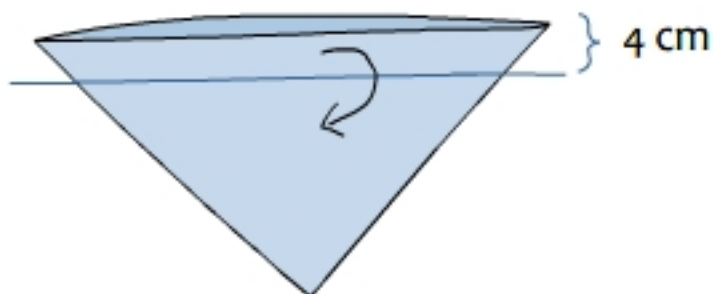

fold in half (drool absorbant double-layer..;))

3

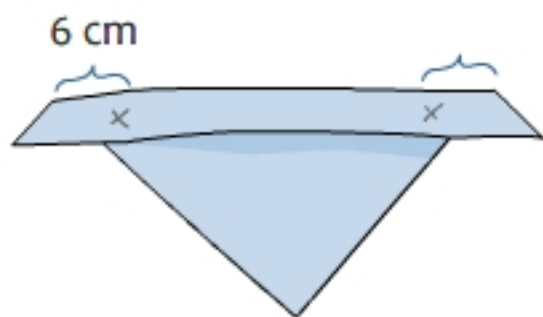

sew and chain off cut side

4

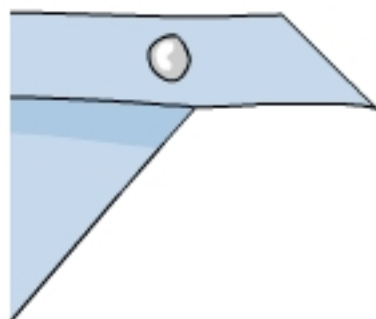

turn inside out and fold down along open sides

5

make a mark approximately 6cm from edges

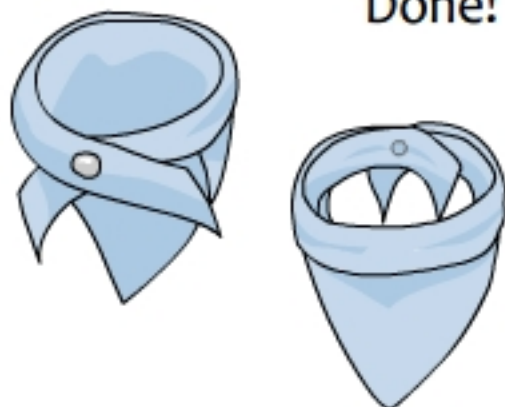

6

make sure to punch snap-fasteners through all 4 layers
Repeat steps 2-5 with the remaining cloth:

7

Done!

Tip:

Quite useful as "Doggy-Bag" to take along.
e.g. Fill in cookies, fasten to belt, snap fast.
!! By all means, never leave cookies in cloth
while worn by drooling baby!!

-> bad idea <-
