

DIY

Weihnachts

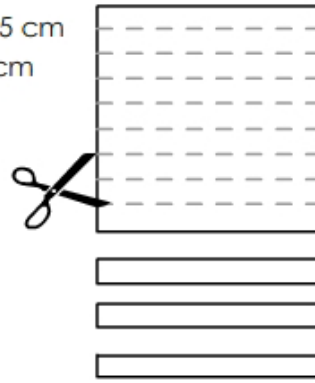

DEKO

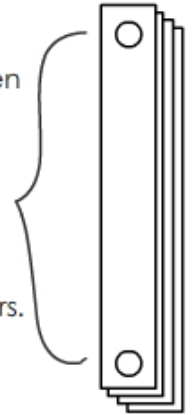

A6 = 1,5 cm
A5 = 2cm

Löcher in beide Enden
durch alle Streifen
schneiden.

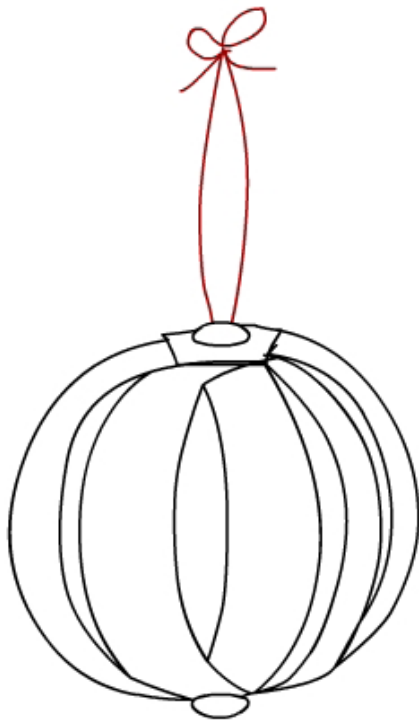

Punch holes in both
ends through all layers.

Musterbeutelklammern und Faden einsetzen.
Attach split pins and a thread.

Alles befestigen.
Fasten tightly.

Nun noch die Streifen auseinander ziehen,
so dass eine gleichmässige Kugel entsteht.

FERTIG!

Draw the individual stripes apart to shape a
nice paper globe.

DONE!

Tip: Versucht das ganze mal mit Fotos. Dabei aber
auf die Reihenfolge der Streifen achten ;)

Tip: Make a christmas ornament using a photograph.
Keep the order of the stripes in mind;)
